Childrens Church during Summer Holidays

The team who organise the 5-10 year olds are not able to provide Children's Church during the school holidays. We are looking for **volunteers** to run one or two sessions during these 6 weeks? The services will be short, so are asked to engage 3 or 4 children for 45 minutes. We have plenty of resources. Please see either Radhika or Charlotte if you are able to help. Many thanks

Last call for **Children's Society** boxes please. I want to get the final amount banked for this year. If your box hasn't got much in it, that's fine, just keep it until the next collection in May/June 2011. Thank you - Jane Ridout
