Childrens Church during Summer Holidays
The team who organise the 5-10 year olds are not able to provide
Children's Church during the school holidays. We are looking
for **volunteers** to run one or two sessions during these 6 weeks?
The services will be short, so are asked to engage 3 or 4 children
for 45 minutes. We have plenty of resources. Please see either
Radhika or Charlotte if you are able to help. Many thanks

This space can be used to write your prayer request or any
notices you wish to have put in this notice sheet next week

THANK YOU for your prayers and financial support for Sandra
Wright. Sandra is in the Dominican Republic and will spend 2
weeks there working with Mission Direct. She will be meeting lo-
cal Christians and helping build homes. Please pray for her safety
and also for Marcus back in Forest Gate and all the people who
will be caring for him.
